A list of people in attendance is attached to these minutes. The Board discussed the International Property Maintenance Code (IPMC). Trudy Wilder, Building Inspector for City of St. Joseph ran the question-and-answer session along with Caleb O'Toole, Sodus Township's Building Inspector. Trudy stated that if the IPMC is adopted by the Board there would also have to be a Board of Appeals set up for that. The IPMC would govern over existing homes and rentals.
